

A support program for foreign students and staff at the Academy of Arts in Banská Bystrica put at risk by the military conflict in Ukraine.

1. **Regular meeting** of foreign students, staff with the Academy of Arts governance and faculties' representatives.
2. **Financial support** - awarding special scholarships from the faculties' own funds
3. **Providing the food access at a reduced price**
4. **Coordination, counseling and support in finding work** (full-time/ part-time)
5. **Psychological support and help**
6. **Taking into account worsened possibility of students' participation in the learning process**
7. **Planned Solidarity events / concert for foreign students, auction of artworks, theater performances**
8. **Establishment of a single contact point** for conflict-affected foreign students and staff who need support, but also for those who would like to help: ukrajina@aku.sk
9. **Temporary allocation of space at the Academy of Arts** for joint meetings of students affected by the conflict in Ukraine.

Infopanel
